

# silanis ApproveIt Desktop

## INSTALLING AN INTERLINK® ePAD INK LCD (USB) TABLET AND APPROVEIT DESKTOP 5.6

This document is a quick reference guide to installing an **Interlink® ePad Ink LCD USB tablet** and **ApproveIt Desktop 5.6** software.

### SYSTEM REQUIREMENTS

Pentium 133 MHz or higher
40 MB of free hard disk space
32 MB of RAM (48 MB or more recommended)
Microsoft Windows XP Professional, 2000 Professional

## A. TABLET INSTALLATION

### Connecting the USB Port

1. Connect the USB port from the Interlink ePad Ink to the USB port of your computer. See Figure 1.

Figure 1

The USB driver will be automatically detected and installed by Windows.

### Installing the Wintab Driver

1. Download the latest driver for your ePad Ink tablet from the following page on the Silanis website: <http://www.Silanis.com/drivers>.
2. Follow the screen prompts to install the driver.
3. Restart your computer. Your driver is installed.
4. See reverse side for "B. Software Installation" for instructions on installing ApproveIt Desktop 5.6.

INSTALLING AN INTERLINK® EPAD INK LCD  
(USB) TABLET AND APPROVEIT DESKTOP 5.6

## B. SOFTWARE INSTALLATION

### Installing ApproveIt Desktop 5.6

1. Insert the ApproveIt Desktop™ CD into your CD-ROM drive. The ApproveIt Desktop Installation Wizard screen is displayed.
2. Click **Next**. The ApproveIt Desktop License Agreement is displayed.
3. Read the agreement and select 'I accept the license agreement'.
4. Click **Next**. The User Information window is displayed.
5. Enter your name, your company and the serial number of your ApproveIt Desktop software, located on the CD-ROM jacket or attached documentation.
6. Select who ApproveIt should be installed for. Typically, you should select **Only for me**.
7. Click **Next**. The Destination Folder window is displayed.
8. Select the appropriate directory destination for ApproveIt Desktop to be installed and click **Next**.  
**Note:** The default setting is to install ApproveIt to C:\Program Files\ApproveIt. The Select Installation Type window is displayed.
9. Select **Typical**, **Complete** or **Custom** installation and click **Next**. By default, Typical is selected.  
 If you are uncertain about the type of installation to select, please contact your organization's system administrator or IT department. The Ready to Install the Application Window is displayed.
10. Click **Next** to begin installation. When the installation is complete, the 'ApproveIt Desktop has been successfully installed' window is displayed.
11. Click **Finish** to complete installation.
12. Before you can sign with your tablet, you must configure your signing method. Please refer to "Chapter 5: Configuration Manager" in the **Silanis ApproveIt Version 5.6 Manual** for more information.
13. The default location for ApproveIt manuals is:  
 Start > Program Files > ApproveIt Desktop > ApproveIt for (application or Plugin).
